Resume/Register/Renew

If you have registered with the Secretary of State's Office in the past, you will need to click on the "Resume/Register/Renew" button.

First Time Registration

If you have never registered with the South Carolina Secretary of State's Office, you will need to click on the "First Time Registration" button.

The screenshot shows the login interface for the Secretary of State's Public Charities Division. At the top, there is a blue header with the state seal and the text "Secretary of State" and "Public Charities Division". Below the header, the word "Login" is displayed in a large font. To the right of "Login" is a small question mark icon in a box. The login form consists of two input fields: "Private Id :" and "Personal Identification Number :". Each field has a small question mark icon to its right. Below the input fields are two buttons: "Next" with a green arrow icon and "Cancel" with a blue circular arrow icon.

If you click on the “Resume/Register/Renew” button, you will have to enter your Private ID and Registration PIN. The annual registration reminder letter that was mailed six weeks prior to the registration date lists the Private ID (Charity ID) and Registration PIN (upper right-hand corner). Please enter the ID number exactly as it is shown on the letter. That means the “C” that is found in front of the ID number must be entered along with the numbers. The PIN is case sensitive. It should be entered exactly as shown on the letter.

Please note: The Charity Private ID never changes; however PINs will change on an annual basis. A unique PIN is issued for each registration or report which you must file with this office. The PIN will always be included on the reminder letter that is sent to you before the filing is due. Your Charity Private ID is for online filing only. Do not share it with unauthorized persons.

When you have entered your Private ID and PIN, click the “Next” button. If you do not have your ID and PIN, please contact the Charities Division at (803) 734-1790.

Exempt or Non-Exempt Charity

An exempt charity means one that is exempt from the registration requirements of the S.C. Solicitation of Charitable Funds Act. In order to be considered exempt from registration, the charity must fall under one of the statutory exemptions listed in Section 33-56-50. An exempt charity is required to submit the Application for Exemption (no fee) on an annual basis. A non-exempt charity must submit a registration statement, \$50 registration fee, and an annual financial report. To read the law concerning exempt and non-exempt charities, please click on the following link <http://www.scstatehouse.gov/code/t33c056.htm>.

Note: To be exempt from registration does not mean the charity is exempt from taxes. To obtain tax exempt status, the charity must apply to the IRS. For more information, visit www.irs.gov.

Basis for Exemption

A charity claiming to be exempt from the registration requirements of the S.C. Solicitation of Charitable Funds Act must choose the basis for the exemption. The drop down box will offer 7 different exemption options. Please choose the exemption that you believe the organization falls under.

Charity FEIN (Federal Employer's Identification Number)

All non-exempt charities are required to enter a FEIN. If you do not have a FEIN, you must contact the Internal Revenue Service. Exempt charities are not required to have a FEIN. Each charity must enter a unique FEIN. If you enter an FEIN and the system responds that another organization holds that number, please contact our office.

Website Address

If the charity has a Website address, please enter it in this space.
